- The new member has attended at least one (1) NYSH&TA legislative reception.
- The new member has enrolled in at least one (1) Preferred Program.
- The new member, who is a member of both organizations, has made at least three (3) research-related inquiries to the AH&LA Information Center or NYSH&TA's membership resource center during their year in membership.
- The new member has provided to NYSH&TA and AH&LA (if applicable), in writing, a detailed explanation as to why membership is no longer important to them.
