

ATTENTION HOTEL GUESTS

If you are arriving from a state on NY's restricted list, you must self-quarantine for 14 days. Travelers must fill out a [Travel Health Form](#).

Scan below to access the Travel Health Form and the COVID-19 Travel Advisory, which includes the list of restricted states and interim guidance for travelers:

- States are added or removed from the list based on a seven day rolling average of positive tests in excess of 10%, or number of positive cases exceeding 10 per 100,000 residents.
- Failure to submit a form may result in a \$2,000 fine and possible mandatory quarantine.

The obligation is on you to self-report, and not on the hotel operator or staff. However, you may be reminded to self-report during the check-in process, so please be patient and help NYSH&TA members provide the safest, healthiest and most enjoyable experience possible for all guests.
